Dear Sir or Madam:

In 2009, the Buffalo Urban League, Inc. awarded scholarships to 177 area students. Selecting these students from a much larger applicant pool is a difficult task; therefore, any information you can provide to assist in this selection process is appreciated and will be kept confidential.

Your letter of recommendation must be received at the Buffalo Urban League by March 15, 2010. Applications that do not include the required number of letters of recommendation, postmarked by March 15, 2010, will be removed from consideration. If you are unable to meet this deadline, please contact the student immediately so he or she can identify another reference.

Please attach a letter describing the student's character, strengths, weaknesses, abilities, and other information that will help the Scholarship Committee make its decision. Letters of recommendation should be sent to:

**Buffalo Urban League Scholarship Committee**  
**15 East Genesee Street**  
**Buffalo, NY 14215**

You may also fax letters of recommendation to **(716)854-8960, attention: Scholarship Committee.**

Thank you in advance for your attention in this matter.
